

**PRECAUTIONS TO TAKE AGAINST CORONA VIRUS INFECTION BY  
"WHO"**

- 1)- AVOID TRAVEL IF POSSIBLE.
- 2)-IF YOU HAVE FEVER, COUGH, COLD, RUNNING NOSE, BREATHING DIFFICULTY SEEK MEDICAL ADVICE.
- 3) -AVOID CLOSE CONTACT WITH PEOPLE SUFFERING FROM FEVER AND COUGH.
- 4)- FREQUENTLY WASH HANDS WITH SOAP, USE ALCOHOL BASED HAND RUBS.
- 5) -AVOID TOUCHING THE FACE, NOSE AND EYES FREQUENTLY.
- 6)-COVER YOUR MOUTH WHILE COUGHING OR SNEEZING, THROW AWAY THE TISSUE PAPER IMMEDIATELY, AND WASH YOUR HANDS OR USE HAND RUBS.
- 7)-DO NOT TOUCH THE MASKS ONCE WORN.
- 8)- DISCARD THE MASK AFTER EACH USE, AND WASH THE HANDS.
- 9)- EAT ONLY WELL COOKED FOOD.
- 10)- AVOID SPITTING IN PUBLIC.
- 11)- AVOID ANIMALS THAT LOOK SICK.
- 12)- USE DIFFERENT KNIVES FOR VEGETABLES AND MEAT.
- 13)- AVOID CROWDED AREAS- MALLS, MARKETS, RESTURANTS, HOSPITALS (UNLESS SICK). AVOID METROS, BUSES.
- 14)- USE A MASK WHEN GOING OUT.
- 15)-DO NOT KEEP TOUCHING THE MASK.
- 16)-AFTER SINGLE USE, DISCARD THE MASK.
- 17)- WASH YOUR HANDS BEFORE WEARING AND REMOVING THE MASK.
- 18)-BUT REMEMBER - NOT EVERY CASE OF COLD AND COUGH IS CORONA VIRUS, SO DONT PANIC**
